

# AVONDALE TO HOST HOA ACADEMY

The City of Avondale is hosting an academy to promote successful Homeowner's Association (HOA) living. This two-evening series is scheduled for Tuesday, **October 21** and Thursday, **October 23**. Both sessions will begin at 6:30 p.m. at Avondale City Hall.

Whether you are living in an HOA for the first time, or if you are a newly elected or experienced board member, this academy will be beneficial to all who attend. This course includes everything a resident or a HOA board member needs to know about HOAs and what community resources are available to help residents make the most of their HOA experience.

"This Academy is designed not only to help HOA boards learn about their responsibilities, but also to foster lasting positive relationships between HOA boards and their community residents," said Gina Montes, director of Avondale's Neighborhood Family Services Department.

Participants will learn how the HOA's Covenants, Conditions and Restrictions (CC&Rs) affect them and what can be done to make living in an HOA a positive experience. There will also be an informational showcase of the many other programs and services offered by Avondale for its residents.
